# WHO WE ARE

FIABCI, The International Real Estate Federation is the world's most representative non-political business networking organisation for all professionals associated with the real estate industry.

Representing over 40 professions from architecture to investment in 70 different countries worldwide, our mission is to provide our members with access and opportunities to exchange knowledge, share best practices, and conduct business with each other.

FIABCI is known worldwide - both within the industry and among other world organisations that share our same interests, including the United Nations, with whom we hold special consultative status at the Economic and Social Council (ECOSOC).

We support the implementation of the United Nations' New Urban Agenda, in particular, the Sustainable Development Goal #11:

To Make Cities and Human Settlements Inclusive, Safe, Resilient and Sustainable.

*Sharing and Inspiring **Best Practices** Worldwide*

Welcome to the 2023 edition of FIABCI at MIPIM - **Building for the Future**.

But before everyone fully settles into the excitement of MIPIM, FIABCI hosts its traditional **Gala Dinner**. We hope you like glitz and glamour, fine food and live music, the main ingredients of this wonderful soirée.
